

# ACTIVITY 2A: THE SKELETON STUDENTS HANDOUT

## DISARTICULATED SKELETON

*Help! On this page you will find Mr. Bones Apart!  
This skeleton is all mixed up and needs your help to get  
RE-ARTICULATED. Cut out the pieces and try to  
reassemble him onto a piece of construction paper. Before you  
glue down your pieces, check your arrangement  
against the example your teacher has.*
