

# Activity "Administrivia":

Intended Grade Level:

**6-8**

## Key Concepts:

Portion,  
serving, volume,  
collecting data,  
graphing, analyzing data,  
experimental design

## Relevant TEKS

Science:

6th grade 1A, 2B, 2C, 4A

7th grade 1A, 2B, 2C, 4A

8th grade 1A, 2B, 2C, 4A

Mathematics:

6th grade 1C, 6B, C, 8A, B, D,  
11A, D

7th grade 3B, 9A, 13A, 14A

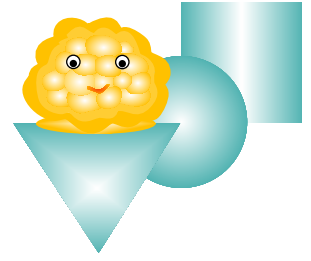

8th grade 2B, 3A, 7B, 8C,  
10A, 14A, 15A

## Process Skills utilized in activity:

Observing, inferring,  
measuring, classifying,  
communicating,  
predicting, graphing,  
identifying variables

## Previous learning assumed:

Knowledge of customary  
measurements such as ounce,  
cup, quart, ability to input  
numbers into an equation to  
generate a number, how to  
design, implement and  
analyze experimental inquiry,  
identifying variables
